

**University of Minnesota Duluth**  
**Application for Graduate Assistantship**

Graduate Assistantships are academic appointments reserved for graduate and professional students. Individual programs awarded and administer graduate assistantships. **Deadlines for application should be obtained directly from the program to which you are applying, not the Graduate School.**

Graduate students are eligible to hold a graduate assistantship if they are admitted to a graduate school degree program or post-baccalaureate professional degree program and are registered for the minimum number of required credits for an assistantship held during Fall or Spring terms. Graduate assistant tuition benefits cover tuition and all or a portion of the University fee, according to the appointment percentage and the number of registered credits. University-subsidized health insurance is available to graduate assistants holding appointments of 25 percent or more. Nonresident students holding an assistantship of at least 25 percent for an entire term will be assessed tuition at the resident rates. Refer to Graduate Assistant Employment for additional information related to assistantships (<http://policy.umn.edu/Policies/hr/Hiring/GRADSTUDENTEMPLOYMENT.html>).

Materials required in support of this application include:

1. Official transcripts from each college or university attended.
2. Three Letters of Recommendation from individuals well acquainted with your academic work and professional experiences. Preferably, letters should be submitted via the Graduate School online application.
3. Resume or CV stating career objectives.
4. Teaching/research experiences, including a list of courses taught, responsibilities, and at what level.
5. A list of original works, if any, in support of this application; reprints of published papers; thesis or unpublished materials, or any other pertinent you may wish to include.
6. Additional material that may be required by the program.

The completed application and supporting documents should be uploaded with your Graduate School online application in the Graduate Program Supplementary Information section as a Graduate Program Additional application document
