Vacancy Announcements
19-TEMP-R9-PLNTS-4DT-CB and 19-TEMP-R9-PLNTS-5DT-CB

Open Period: 9/24/2018 to 10/8/2018

The Ottawa National Forest is seeking 1-3 people for summer work treating invasive plant infestations during the 2019 field season (approximately May through August or September).

Work will be conducted along roads and various habitat types. Infestations will include garlic mustard, purple loosestrife, Japanese barberry, Japanese knotweed, exotic honeysuckle, and exotic buckthorns. Methods to be used include herbicide application, hand-pulling, weed-whacking, cutting, and digging. The work involved is strenuous. Employees should be able to carry a 30-pound backpack sprayer over long distances in difficult terrain. Employees will be required to wear personal protective equipment such as hard hats, and for chemical applications, gloves, eye protection, rubber boots, and disposable Tyvek suits. All employees will be expected to pass a written test to become certified Michigan pesticide applicators (test preparation time will be allowed at the start of the position).

The duty location is Ironwood, Michigan. Work will occur across the million-acre Ottawa National Forest with transportation to work sites provided. Government housing is not available.

Qualifications & Pay

GS-4. $14.30 per hour. GS-04 positions require two years of education beyond the high school level with courses related to the position or one year of experience which included at least 6 months of specialized experience. Combinations of education and experience may be used to qualify.

GS-5. $16.00 per hour. GS-05 positions require four years of education beyond the high school level leading to a Bachelor's degree, or a Bachelor's degree with courses related to the position, OR 1 year of specialized experience equivalent to at least a GS-04. Combinations of education and experience may be used to qualify.

Please review the lengthier qualifications required given in the vacancy announcement online. A valid state driver's license is required.
**How to apply**

The vacancy announcement will be available from **9/24/2018 to 10/8/18** on the USAJobs website found at [www.usajobs.gov](http://www.usajobs.gov). Applicants must create or upload a resume and respond to vacancy announcement numbers 18-TEMP-R9-PLNTS-4DT-RR and/or 18-TEMP-R9-PLNTS-5DT-RR.

Applications must be submitted electronically by **October 8, 2018**, to be considered. No applications can be accepted at local offices.

If you have any additional questions regarding this employment opportunity or application process, please contact:

Ian Shackleford, Ottawa National Forest
