To: Undergraduate Students with an interest in Space Science

From: Dr. Alec Habig, UMD Space Grant Affiliate

Re: Undergraduate Scholarships

Through The Minnesota Space Grant Consortium (MnSGC), we (UMD) are pleased to offer three (3) $1,500 scholarships to reward students for their past involvements and interest in space science and engineering endeavors.

The application form can be found at: http://mnspacegrant.wpengine.com/wp-content/uploads/2017/06/MnSGC_Student_Info_Form_2017.docx

Please fill out the application form, and include the following:

- A copy of a recent college transcript (unofficial copy is OK)
- A letter of intent (must be one page, double-spaced, describing your educational and career goals, and your interest/involvement is space science)
- A letter of recommendation from a college professor or adviser

Submit your applications to: UMD Physics Department
                        Attention: UMD Space Grant Affiliate, Dr. Habig
                        371 Marshall W. Alworth Hall

Deadline for submission is Wednesday, March 14, 2018 by 4:00 PM.
That’s a couple days after you get back from spring break.

Scholarship recipients will be selected from among those applicants who have been very successful in their past educational endeavors (GPA cut off is 3.2 on a 4.0 scale) and whose area of interest is related to the space sciences and engineering. Applicants must be registered full-time at UMD and be a U.S. citizen.

If you have any questions regarding UMD Space Grant, please contact Dr. Alec Habig, 726-7214, email ahabig@d.umn.edu.
